02. AND WHEREAS not satisfied with the reply given by the Public Information Officer, Shri Gopinath has filed an appeal before the First Appellate Authority on the grounds that incomplete, misleading or false information has been provided.

03. AND WHEREAS the undersigned called for all the relevant records pertaining to the RTI application and perused the same. The applicant has sought information about the current contract work order under S.No1 of his RTI application but has not mentioned as to what information is required about those contracts.

Under S.No 2 information with respect to contracts awarded by Administration has been provided. Therefore, the reply given by the Public Information Officer cannot be said to be incomplete, misleading or false information. The required information was furnished on 27/05/2021 and uploaded on the portal.

It is also noticed that the applicant had sought apparently almost similar information vide his RTI application bearing Registration No. IGCAR/R/E/21/00022 dated 21/04/2021.

It is brought to the notice of the applicant that As per Section 6 (1) of the RTI Act, 2005, information may be sought by making a request in writing or through electronic means in English or Hindi or in the official language of the area in which the application is being made.

It is suggested that the applicant may prefer official language of the area i.e Tamil, while seeking information under RTI Act to avoid multiple applications on the same issue. It is very clear that the applicant is not able to express himself unambiguously regarding the information required by him.

04. NOW THEREFORE, the undersigned in exercise of the powers conferred under Section 19 (6) of the RTI Act, 2005, disposes the appeal as follows:

(i) The PIO is directed to inform the applicant that considering that this is his second RTI application on the apparently similar issue in a span of 8 days and with a view to avoid multiple applications on the same issue and the ambiguity as regards the information sought, he may inspect the documents free of charge and such inspection shall be limited to the information originally sought by him. Charges shall be levied for copies of documents.

05. As per Section 19(3) of the RTI Act, 2005, a second appeal against the above decision shall lie with the Central Information Commission, 2<sup>nd</sup> Floor, August KrantiBhavan, Bikaji Cama Place, New Delhi-110066, within ninety days from the date on which the decision should have been made or was actually received by the appellent.
