Expression of Interest

As part of Azadi ka Amrit Mahotsav, Ministry of Culture has indicated Aug 22- 28, 2022 as the iconic Week for Department of Atomic Energy to showcase its various technologies.. IGCAR has proposed to dedicate the IGCAR-DAE Information centre at Shastri Bhavan at Nungambakkam, Chennai as one of its major event for the iconic week celebrations. This information centre will serve as a nodal centre for showcasing the DAE technologies to various Central Govt departments housed in Shastri Bhavan. The centre will be further utilized for conducting year long programme on nuclear awareness to the public, school and college students and various stake holders.

In this context the Information centre measuring about 3000 sqft has to be refurbished and to be made suitable for displaying the exhibits. Nature of Work involves, modifications in the existing building to suit screening of movies, highlighting the working models with special light effects, story of DAE decade wise, a meeting room for discussions, wall paneling along the entire hall, carpeting of the floors and putting up false ceiling with good quality lighting

A proposal for redesigning the Information Centre is invited in the enclosed format and the same may be submitted for the evaluation to Head, TC&PAS, RESD, SQRMG, IGCAR, Kalpakkam on or before 08/08/2022 at 15 hrs.
