

Ref. No.: GSO/Hosp/online/2026/ 517

March 10, 2026

CIRCULAR No. 208/CHSS/HOSP

Subject: Introduction of SMS facility for online hospital appointment system – reg.

With a view to enhancing user convenience and streamlining the appointment process using online hospital appointment system (<https://chss.igcar.gov.in/>), SMS facility has now been integrated with the online portal. To simplify access, the portal will now accept mobile number, in addition to email id, for registration and login purposes.

In view of the above, the existing registered users can login on the portal and update the mobile number using "Edit Profile" menu. Upon verification of mobile number using one-time password (OTP), the mobile number can be used for Login to the portal in addition to the registered email id.

New registration can now be done using either email id or mobile number. After approval of the registration request by DAE Hospital, Kalpakkam, the beneficiaries can login on the portal to book appointments.

This facility will be activated on the portal on **March 10, 2026**. It is requested that all the beneficiaries can make use of this facility to update their current and active mobile number on the portal and start receiving appointment booking and cancellation alerts through SMS also.
