CIRCULAR

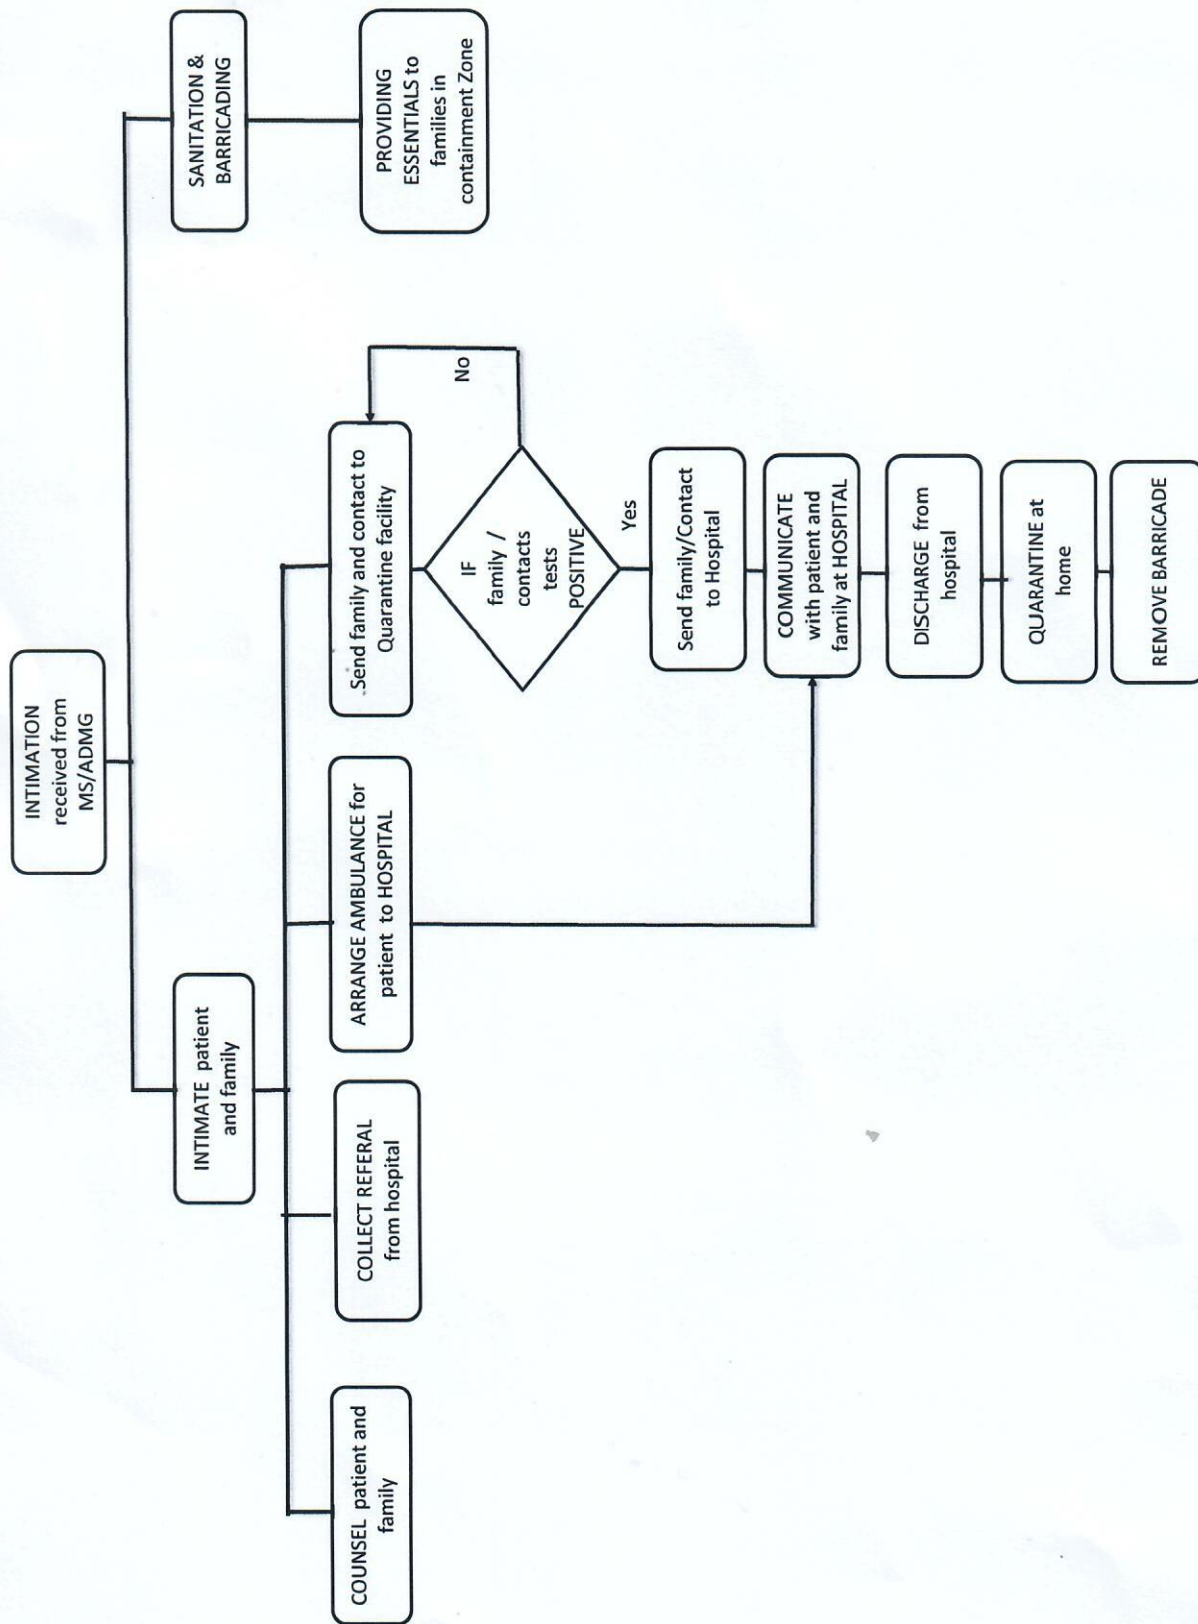

Consequent to the outbreak of COVID-19 in Kalpakkam/Anupuram Townships and based on the directives of Tamil Nadu State Government Authorities, the following measures are being implemented:

- 1) All COVID-19 positive cases shall be quarantined in hospital referred by DAE Hospital for further management.
- 2) All primary contacts (family members/friends/office colleagues) shall be sent immediately to facility quarantine centre as designated by State Government for a period of 7 days.
- 3) In case the primary contact develop any COVID-19 related symptoms, he/she shall be immediately referred to hospital.
- 4) After the 7 day period in facility quarantine the primary contact would return back to their house.
- 5) In case of children below 5 years or aged personnel above 65 years or personnel with comorbidities (renal patients undergoing dialysis or certified by MS, DAE Hospital Kalpakkam) they may be permitted home quarantine with only one attendant at the discretion of Chairman, KMC.
- 6) Once the positive list of COVID-19 patients is identified, the same would be disseminated to respective Unit Heads who would ensure through their administration/Group Directors/Heads of Divisions/Sections that both the positive patient and his/her primary contacts are sent to hospital/facility quarantine, as per attached flow-chart.
