November 04, 2025

CIRCULAR No. 200/CHSS/HOSP

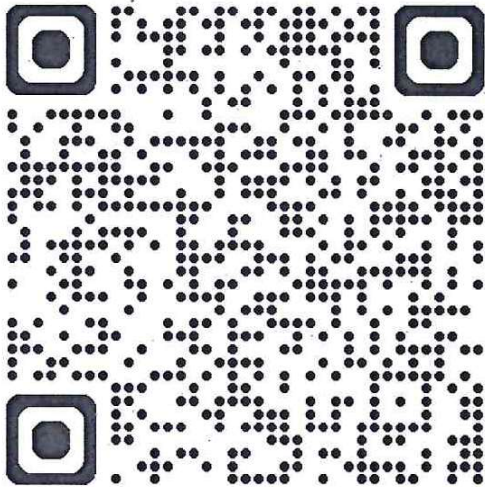

Subject: One time registration for online appointment system – reg.

It has been planned to provide appointments to the doctors in DAE Hospitals at Kalpakkam, Anupuram, IMSc (Chennai) and Pallavaram (Chennai) using **online Hospital Appointment System**. The online hospital appointment system is a dedicated digital platform designed to simplify and streamline the process of booking appointments. This online portal will be made available to the serving and retired employees of all the DAE Units being served by the GSO Hospital, Kalpakkam to book appointments for themselves as well as their dependent family members.

The online portal can be accessed from home and office over internet using any latest browsers like Google Chrome, Microsoft Edge and Mozilla Firefox etc. The portal will be accessible using multiple devices like smart phones, desktop, laptop and tablets.

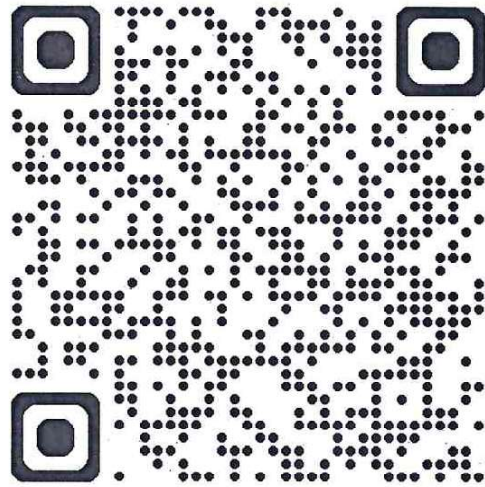

One time registration process: To start with the online system, the primary beneficiaries need to complete a one-time registration on the portal to register their personal email id. A user guide is available on the portal with detailed instructions for registration. All the primary beneficiaries are requested to go through the user guide and complete the one-time registration process. Please note that beneficiary should enter Emp. ID/ID card No. and unit detail, same as which is printed on their medical card and also **only primary beneficiary need to register on the portal** and all the dependent members will automatically get linked to it. Web links and QR codes of the portal and one-time registration form are provided below. The one-time registration phase will begin on **November 04 , 2025**.

Please note that only the registered beneficiaries will be able to login to the portal to register appointment and it will be enabled after online verification. The facility to book actual appointments online will be activated shortly after the registration period. A separate notification to announce the start of online appointment booking will be issued later.
